

# CRYSTAL LAKE SCOUT RESERVATION

HOME TO AKELA'S WORLD CUB SCOUT CAMP,  
TESOMAS SCOUT CAMP AND HANNA VENTURE BASE

December 8, 2009

As Board Officers and Council Professionals, we are charged to be fiscally responsible and oversee that the Scouting program is delivered effectively with the least cost to Scouts and their families. For 2010, Samoset Council Camp fees have been increased, yet they are fair and absolutely necessary. The increases in 2010 camp fees stem from a Wisconsin State mandatory increase in the camp minimum wage, which is as much as 25%.

In conjunction with the increases in camp fees, camping expenses have been reduced in an effort to absorb the increased costs of delivering our camping programs. However, we have kept our commitment to support our camping property development by slightly increasing our maintenance funding. The overall result is a \$20 increase for Tesomas and \$12 for Akela's World to the per youth fee.

We especially want to thank the generous Scouters and families who support our annual Friends of Scouting Campaign and Popcorn Sale. Without your support, camp fees would have to be more. Annually, the Friends of Scouting, Popcorn Sales and United Way incomes collectively subsidize camp. This funding helps keep our camping costs low.

Considering the rising costs in all aspects of life, we are proud to be able to continue offering excellent programs at a reasonable cost in the council "Where Camping is King." The leadership of Samoset Council takes its responsibility to act prudently with the funds entrusted to us by Scouters and donors, and to provide the very best in year-round Scouting programs for all of our Scouts.

We thank you for all you do for young people in Scouting and assure you that Samoset Council is keeping costs affordable for young people, while providing first class programming so that each child and every unit has the best camping experiences we can provide.

Samoset Council's camping and future is in good hands and we thank you for insuring that our young people are also in good hands.
